

Where to Obtain a Work Permit

Check with your child's school to see if they issue work permits. If they don't, check your district's high school. A few of the following high schools have been known to issue work permits in the past:

James B. Conant High School, Hoffman Estates

Prospect High School, Mount Prospect

Sycamore High School, Sycamore

CCSD15, Palatine

Thorton Fractional North High School, Calumet City

Will County Regional Office of Education, New Lenox

Waubonsie Valley High School, Aurora

Naperville Central High School, Naperville

Rich East High School, Park Forest

Oswego High School, Oswego

You can also try the following Chicago facilities:
